

Chaotic

Britney Spears

There's too much of this noise boy, let's get a seat
So you can talk sweet to me
I see these other boys won't you meet me at the dance floor?
Maybe like to buy me drinks Who's the sexy guy and I wonder why
We could have some fun so don't be shy
Baby just enjoy what's on your mind?
Party and have a good time It's getting hectic in here
It's getting chaotic
I'm rocking and rolling, no stopping
We going until it's over Do you like the way I rock it
Boy I think it's so chaotic Oh, I'm wild ah, I'm on fire
Turning at the dance floor
Turn it up higher, wild like a tiger
Tell me do you want more Everybody blink your lights party from the left to right
Oh, I'm on fire, oh, I'm on fire
Turning at the dance floor
Do you like the way I rock it boy it's chaotic There's too much of the sound I'm on the prowl
So please don't turn me down
I'm having so much fun and being done
I'm gonna tell you now The DJ is my friend so let's begin
I'm a do my dance until the end
Baby just get down let's hit the town
Everybody here's getting wild It's getting hectic in here
It's getting chaotic
I'm rocking and rolling, no stopping
We going until it's over Do you like the way I rock it
Boy I think it's so chaotic Oh, I'm wild ah, I'm on fire
Turning at the dance floor
Turn it up higher, wild like a tiger
Tell me do you want more Everybody blink your lights party from the left to right
Oh, I'm on fire, oh, I'm on fire
Turning at the dance floor
Do you like the way I rock it boy it's chaotic Oh, I'm wild ah, I'm on fire
Turning at the dance floor
Turn it up higher, wild like a tiger
Tell me do you want more Everybody blink your lights party from the left to right
Oh, I'm on fire, oh, I'm on fire
Turning at the dance floor
Do you like the way I rock it boy it's chaotic Look what you do to me melting down for all to see

I can help it, no I can't burning down so we can dance
Look at what you make me do I can't get enough for you
Turn me in, you turn me out Just don't put the fire out Oh, I'm wild ah, I'm on fire
Turning at the dance floor
Turn it up higher, wild like a tiger
Tell me do you want more Everybody blink your lights party from the left to right
Oh, I'm on fire, oh, I'm on fire
Turning at the dance floor
Do you like the way I rock it boy it's chaotic Oh, I'm wild ah, I'm on fire
Turning at the dance floor
Turn it up higher, wild like a tiger
Tell me do you want more Everybody blink your lights party from the left to right
Oh, I'm on fire, oh, I'm on fire
Turning at the dance floor
Do you like the way I rock it boy it's chaotic
