

# It's Easy To Remember

Seth MacFarlane

Your sweet expression  
The smile you gave me  
The way you looked when we met  
It's easy to remember, so hard to forget I hear you whisper "I'll always love you  
I know it's over and yet  
It's easy to remember  
And so hard to forget So I must dream to have your hands caress me  
Fingers press me tight  
I'd rather dream than have that lonely feeling  
Stealing softly through the night Each little moment is so clear before me  
And though it brings me regret  
It's easy to remember  
And so hard to forget
