You Know

Curved Air

((Verse 1))
Baby something isnt feeling right, I don't even know the reason why I.
You tell me you love me one day, next day you dont know.
Where it's going to go, i've heard it all before. ohhh i've heard it all before.
((Chorus))
Baby I love you i'll hold you down everyday.
So, don't hurt me no more my loves got a limit.
You know, you know- I love you i'll hold you down everyday
So dont hurt me no more my loves got a limit.
