

# Blinded By The Light

## Manfred Mann's Earth Band

Blinded by the light,  
revved up like a deuce,  
another runner in the night

Blinded by the light,  
revved up like a deuce,  
another runner in the night

Blinded by the light,  
revved up like a deuce,  
another runner in the night

Madman drummers bummers,

Indians in the summer with a teenage diplomat

In the dumps with the mumps as the adolescent pumps his way into his hat

With a boulder on my shoulder, feelin' kinda older,

I tripped the merry-go-round

With this very unpleasin', sneezin' and wheezin',

the calliope crashed to the ground

The calliope crashed to the ground

But she was...

Blinded by the light,  
revved up like a deuce,

runner in the night

Blinded by the light,  
revved up like a deuce,  
another runner in the night

Blinded by the light,  
revved up like a deuce,  
another runner in the night

Blinded by the light,  
revved up like a deuce,  
another runner in the night

Some silicone sister with a manager mister told me I go what it takes

She said "I'll turn you on sonny to something strong,

play the song with the funky break"

And go-cart Mozart was checkin' out the weather chart to see if it was safe outside

And little Early-Pearly came by in his curly-wurly and asked me if I needed a ride

Asked me if I needed a ride

But she was...

Blinded by the light,  
revved up like a deuce,

Madman drummers bummers, Indians in the summer with a teenage diplomat  
In the dumps with the mumps as the adolescent pumps his way into his hat  
    With a boulder on my shoulder, feelin' kinda older,  
        I tripped the merry-go-round  
    With this very unpleasin', sneezin' and wheezin,  
        the calliope crashed to the ground  
Now Scott with a slingshot finially found a tender spot and throws his lover in the sand  
And some bloodshot forget-me-not said daddy's within earshot save the buckshot, turn up the band  
    Some silicone sister with a manager mister told me I go what it takes  
        She said "I'll turn you on sonny to something strong"
