

Textbook Tragedy (He Said Oh!)

Masketta Fall

[VERSE 1]

Shes got the whole world sleeping in her bed at night and she just didnt know what to do,
He spends the whole night standing screaming back at her he said oh! he said oh! he said the rest is up to
you. She falls down shes had enough of it all, this is not what she had planned,
And so together they look to what the future holds and now its time to make amens. WOAHH OH just dont wanna
hear it

WOAHH OH I just dont wanna hear it at all

WOAHH OH just dont wanna hear it [CHORUS]

And now hes saying goodbye to you, and theres nothing you can do,

And now hes saying goodbye to you, you gotta tell her the truth,

No chance to fight or protect she faults in her amazement heartless but true, Now we singin,

WOAHH OH, WOAHH OH, he said oh! he said oh! he said the rest is up to you. he said oh! he said oh! he said the
rest is up to you [VERSE 2]

Three years back they were still in the love the future never looked so bright

On a whim, on the sell, the fruition will come in the form of a dotted line,

But now hes standing screaming back at her this is not what she had planned and so together they look to what
the future holds and now its time to make amends [CHORUS]

And now hes saying goodbye to you, and theres nothing you can do

And now hes saying goodbye to you, you gotta tell her the truth

No chance to fight or protect he faults in her amazement heartless but true,

Now we singin, WOAHH OH, WOAHH OH, he said oh! he said oh! he said the rest is up to you. [BRIDGE]
just dont wanna hear it

I just dont wanna hear it

he said oh! he said oh! he said the rest is up to you [CHORUS]

And now hes saying goodbye to you, and theres nothing you can do

And now hes saying goodbye to you, you gotta tell her the truth

No chance to fight or protect he faults in her amazement heartless but true,

Now we singin, WOAHH OH, WOAHH OH, he said oh! he said oh! he said the rest is up to you.

And now hes saying goodbye to you, and theres nothing you can do

And now hes saying goodbye to you, you gotta tell her the truth

No chance to fight or protect he faults in her amazement heartless but true,

Now we singin, WOAHH OH, WOAHH OH, he said oh! he said oh! he said the rest is up to you.

WOAHH OH, WOAHH OH, he said oh! he said oh! he said the rest is up to you.
