

# Melancholy Protection

## Millencolin

Things you never would have told aren't secrets anymore  
Today you talk about that time when your mind was really sore  
Now I know why you have been thinking about  
the other side  
You never thought that it would happen and now you have lost your pride  
Going up, going down, sometimes I feel the same way as you do  
You feel to scream, you feel to cry  
Melancholy protection  
You've got to move on  
You are chance-less to find the warmth again  
You are chance-less but can't forget what happened then
