

# Pillow Talk

## Kid Cudi

damn girl...  
where did you learn to do all that  
girl the sex was crazy  
better yet amazing  
dont be sad  
i aint going nowhere  
lets just lay and talk  
girl i know you feeling  
this chemistry that we got  
so dont be shy i aint goin' nowhere  
im here for the nightso move closer bring your body to mine  
let me hold you right  
dont be mad i aint nowhere ima sleep here by your sideyou probably think im shady girl i know  
but i aint gonna fuckin bounce  
im feelin you, i wanna get to know you so  
lets have pillow talkyou probably think im shady girl i know  
but i aint gonna fuckin bounce  
im feelin you, i wanna get to know you so  
lets have pillow talkand when i saw you after my show (after my show)  
your friends were actin like hoes (acting like hoees)  
but you were different  
you werent impressed, by all my money  
or fancy shit  
girl you're skin is so smooth (skin is so smoooooth)  
and you smell good like some new shoes (just like my bapenapes)  
i see you smiling  
is that a sign, that you feeling me to?girl i hope so...  
you probably think im shady girl i know  
but i aint gonna fuckin bounce  
im feelin you i wanna get to know you so  
lets have pillow talkso move closer bring your body to mine  
just like my bapenapes...
