

# I'd Go with You Anywhere

## Birds of Tokyo

[Verse 1]

I know you're wandering, I'm sure you must be scared  
Our world stopped turning, but the clocks don't seem to care

Don't give up, don't back out on me

Enough's enough, if we stay, we'll never leave[Chorus]

You know I'd go with you anywhere

Just get me out of here

You know I'd go with you anywhere

You gotta get me out of here

You know that even if we lose it all

We'll have something beautiful

You know I'd go with you anywhere

So just get me out of here, yeah[Verse 2]

We don't need promises, countless [?]

To live our lives away, we always we thought we could

We can hold on, hold on, hold on, hold on

We leave in a moment

We can hold on, hold on, hold on, hold on

We leave in a moment, we leave in a moment[Chorus]

You know I'd go with you anywhere

Just get me out of here

You know I'd go with you anywhere

You gotta get me out of here

You know that even if we lose it all

We'll have something beautiful

You know I'd go with you anywhere

So just get me out of here, yeah
