# Uncontrollable

## Adrienne Bailon

I'm under your spell
(Release me)
I'm losing myself
(Can't control me)
I'm captured by the way you entice me
Me, me, meI can't even function, I feel like I'm hypnotized
Feel so energized, do I need to slow down?
(No)
'Cause right now I can't seem to find it
I kinda like the way it's flowingIt's uncontrollable and I just can't help it
When I try to leave and I'm right back at it
It's so uncontrollable and I just can't hide it
When I try to leave it keeps on pushing me, uncontrollableIt's uncontrollable
It's uncontrollableThe pressure is on
(Tempting)
I feel overwhelmed
(I'm speechless)
My focus is gone by the beat of your drums
Drums, drums, drumsI can't even sleep and I can't even analyze
Why I'm so tempted by? Do I need to slow down?
(No)
'Cause right now I can't even find it
I kinda like the way it's flowingIt's uncontrollable and I just can't help it
When I try to leave and I'm right back at it
It's so uncontrollable and I just can't hide it
When I try to leave it keeps on pushing me, uncontrollableIt's uncontrollable
It's uncontrollableThe joy that it brings, it overtakes me
It fulfills my fantasies, all of my dreams
The joy that it brings, it overtakes me
It keeps on forcing me, keeps on pushing meIt's uncontrollable and I just can't help it
When I try to leave and I'm right back at it
It's so uncontrollable and I just can't hide it
When I try to leave it keeps on pushing meIt's uncontrollable and I just can't help it
When I try to leave and I'm right back at it
It's so uncontrollable and I just can't hide it
When I try to leave it keeps on pushing me, uncontrollableIt's uncontrollable
It's uncontrollable
