We sit and we sigh and nothing gets done  
So right, so clued up, we just get old  
And all the while been torn asunder  
Nicotine and bacteria  
We sit and we sigh and nothing gets done  
So right, so clued up, we just get old  
And all the while been torn asunder  
Nicotine and bacteria  
We sit and we sigh and nothing gets done  
So right, so clued up, we just get old  
And all the while been torn asunder  
Nicotine and bacteria  
We sit and we sigh and nothing gets done  
(What are we coming to?)  
So right, so clued up, we just get old  
(What are we gonna do?)  
And all the while been torn asunder  
(What are we coming to?)  
Nicotine and bacteria  
(What are we gonna do?)
