Judgment Day

Stonebreed

Give to me
What I want
I want to hear you say
What I need
This is a last chance circumstance
Time to pay the big advance
So while you're down on your kneesNow you better listen up
What I say you better give it up
Time to pay
You're gonna bite the bullet feel the bat
Be begging for a heart attack
You're borrowed now you can't repay
Collection on your judgment dayNo one can save you
Now you're gonna pay
Collection on your judgment dayYou took from me - Yeah
You're gonna give me everything that I need
You took a last chance circumstance
You went and blew you're your big advance
And now you're down on your kneesYou better listen up
What I say you went and lived it up
Now ya pay
You're gonna bite the bullet feel the bat
Be begging for a heart attack
You're borrowed now you can't repay
Collection on your judgment dayNo one can save you
Now you're gonna die
It's time to make your last wish
It's time to say goodbye"Forgive you not... Yea you've sinned.
The time has come now get in.
You couldn't pay I bought your debt.
And I'm taking you to your grave."No one can save you
Now you're gonna die
It's time to make your last wish
It's time to say goodbye
No one can save you
Now you're gonna pay
Collection on your judgment day
Collection on your judgment day
