## DJ Earworm

Ooh (trouble, trouble, trouble)  
I see it all, I see it now (Ooh) trouble, trouble There was a time  
I raise my flags, don my clothes, never asking why  
We rule the world  
I tried carrying the weight of the world, no one could deny Those days are gone  
Waking up to ash and dust, we're ashes on the ground  
I still hear the songs  
Well life will pass me by if I don't open up my eyes, well that's fine by me So wake me up when it's all over  
(Don't you worry, don't you worry child)  
When I'm wiser and I'm older (See Heaven's got a plan for you)  
All this time I was finding myself and I  
Didn't know I was lost And we'll never be royals (royals)  
And we can't stop, trouble, trouble  
Welcome to the new age, to the new age  
Welcome to the new age Let me be your ruler (Ruler)  
And we won't stop, guess I shouldn't start a war  
You think I'm crazy, yeah you think I'm crazy  
Let me live that fantasy Lately, I've been, I've been losing sleep  
Dreaming about the things that we could be  
They tell me I'm too young to understand  
Mm, too young, too dumb to realize Round and around and around and around we go  
It's a revolution, I suppose  
Tell me now, tell me now, tell me now you know  
Woah And we'll never be royals (Royals)  
And we can't stop, trouble, trouble  
Welcome to the new age, to the new age  
Welcome to the new age Let me be your ruler (Ruler)  
And we won't stop, guess I shouldn't start a war  
You think I'm crazy, yeah you think I'm crazy  
Let me live that fantasy Baby you a song, you make me wanna roll my windows down, and cruise  
Breathing in the chemicals (Ooh)  
My friends and I, we've cracked the code (Just crack the code)  
In a torn up town, (In a torn up town) we're fine with this I figured it out, they watching us  
You were right, no more pretending, all eyes on us  
And we don't mind all the watchin'  
It's our party, we can do what we want to, let's go  
It's our song, sing this song and it goes like Ooh (And we can't stop, trouble, trouble)  
Ooh (This is my kingdom, this is my party, this is my kingdom)  
This is our house, this is our rules Let me be your ruler (Ruler)

And we won't stop, guess I shouldn't start a war  
You think I'm crazy, yeah you think I'm crazy  
Let me live that fantasyWhoa oh (Ooh)
