Summer Ends

Bel Plaine

The summer was so good
I fell in love with you
But right now I have to go
We had a great time
Won't deny
I'm done done with you
She's saying goodbyeAnd here I am again alone like a sad man
But before you left my life was going so well
You realize, Breakheart, am I alive, don't know
Never thought that you could take my sun awayAll the words she said
Are ringing in my head
I'm so lost, my lover's gone
But I still have hope
Can't deny
You're done done with me
She's saying goodbyeAnd here I am again alone like a sad man
But before you left my life was going so well
You realize, Breakheart, am I alive, don't know
Never thought that you could take my sun awayHow could I believe in us
The summer heat drove me so damn crazyAnd here I am again alone like a sad man
But before you left my life was going so well
You realize, Breakheart, am I alive, don't know
Never thought that you could take my sun away
