# I Know Better

## Jacquees

Mmhmm, hmm
Hmm, aw yeah
What?
Murphy Kid
Hmm, Jacquees, yeah, yeah, yeahHop out, young Quee, ballin', bossin'
Been on the road but I'm back home, so what's poppin'?
She wanna roll through my hood, in the whip I'm in, think I'ma let her
Take her to Blue Flame, let her show me somethin'
I brought my whole team, they can't tell me nothin' (squad)
Go head and show me the options
I need one, so bring me some, ohh
Quee knows better, than to come to your trap, not throwin' cash
Quee knows better,
than to turn off your song, run this shit back (baby, you baby)
Baby I know better (baby you work it)
I know better, you fine (more than fine)
I know better
So come here baby let 'em waste your time
Aw, huhThick as hell, long hair baby, I been watchin'
Big money, whip money, baby I ain't stoppin'
Cash money, old money, old hunnids, cash done, profit
Drop top, moondrop, roll one with her poppin'
Your magic, let her show me somethin'
Your man ain't got money, thats why you always runnin' (no, no)
Go ahead and show me options (yeah, yeah)
I need one, so bring me some, oh
Quee knows better, than to come to your trap,
not throwin' cash (I know, what kind of man you think I am?)
Quee knows better,
than to turn off your song, run this shit back (baby, you baby)
Baby I know better (baby you work it)
I know better, you fine (more than fine)
I know better
So come here baby let 'em waste your time (and let em' waste your)
Aw, huhBaby, baby, baby
Quee knows better, than to come to your trap, not throwin' cash, aww
Quee knows better, than to turn off your song,
run this shit back (I know better, run it back)
Baby I know better (baby you work it)

I know better, you fine (come on and work it)
I know better
So come here baby let 'em waste your time (Come on)
Aw huh, yeah
Oh, oh, oh
Yeah, yeah
See, come here baby let 'em waste your time
Uh huh
