

# Power To the People

## Public Enemy

And you thought the beat slowed down  
Power to the people  
Get on up, get into it, get involved  
Feel the bass as the cut revolves  
To the brothers wit the 808  
Like I said before PE got a brand new funk  
Turn it up, boom the trunk, yeah  
Internationally known on the microphone  
Makin' sure the brothers will never leave you alone  
To my sisters  
Sisters yes we missed ya  
Let's get it together make a nation  
You can bet on it, don't sleep on it  
'Cause the troops cold jeepin' it pumpin  
(Power to the people)  
Turn us loose we shall overcome  
They say where you get that bass from  
Hey ohh people, people as we continue on  
Come along, sings this song, are you ready for '91  
Rhythm nation pump that bass an  
We like to know from Chicago, New York and LA  
Are y'all ready, cause the plans in the jam  
And we're ready to roll yo y'all got to tell me  
Are y'all read read to go c'mon  
(Power to the people)  
Had to kick it like that as we roll as one  
One under the sun, to all the cities and the side  
Stateside and the whole wide  
There it is
