

# Grocery (Live at the Secret Garden)

## Hurray For The Riff Raff

chorus:

i saw your ghost at the grocery  
i could have sworn that was you  
i thought you were standing next to me  
but i knew that couldnt be true is that you?  
is that you?  
is that you? your picture  
is still  
on my wall  
on my wall the colours  
are bright  
they are bright  
as ever
