

Season Suite: Winter

John Denver

It's cold and it's getting colder
It's gray and white and winter all around
And oh, I must be getting older
And all this snow is trying to get me down
There's a fire in the corner slowly dyin' away
Sometimes I just don't feel like goin' on anymore
And yet I know it's more than worth the waiting
For another chance to see the summer sun
Come on, shine on me
There's a fire in the corner slowly dyin' away
Sometimes I just don't feel like goin' on anymore
And yet I know it's more than worth the waiting away
For another chance to see the summer sun
Come on, shine on me
