I Found You

L.A. Guns

Somebody love me, somebody care
Somebody hold me, when I am scared
Somebody reach out and hold my hand
Somebody somewhere, must understandI found you, you wanted me tooSomebody touch me, somebody give
Give me a reason, I wanna live
Oh, I don't ask for much
All I want darling is a little trustI found you, you wanted me too
I found you, you wanted me tooI need somebody trust me
Yes somebody care yeah
I know ain't got much girl
But I'm willing to shareOh it's hard
This world can be so cold
We all need a little love
It's what makes us whole yeahI found you, you wanted me too
I found you and you wanted me
Wanted me too
