

# I Found You

L.A. Guns

Somebody love me, somebody care  
Somebody hold me, when I am scared  
Somebody reach out and hold my hand  
Somebody somewhere, must understand I found you, you wanted me too  
Somebody touch me, somebody give  
Give me a reason, I wanna live  
Oh, I don't ask for much  
All I want darling is a little trust I found you, you wanted me too  
I found you, you wanted me too I need somebody trust me  
Yes somebody care yeah  
I know ain't got much girl  
But I'm willing to share Oh it's hard  
This world can be so cold  
We all need a little love  
It's what makes us whole yeah I found you, you wanted me too  
I found you and you wanted me  
Wanted me too
