

Invitation to the Blues

Roger Miller

I couldn't sleep last night, I just walked the floor
Don't know how I stand this anymore
Lonely are the times since I lost you

Received your invitation to the bluesI don't know why you caused me such pain

I just hope I'll never go through this much again
Lonely me I don't know what to do

Received your invitation to the bluesYou took the laughter from this world of mine
Thanks to you the sun will never shine

Walk the floor so much wore out my shoes

Received your invitation to the bluesI don't know why you caused me such pain

I just hope I'll never go through this much again
Lonely me I don't know what to do
Received your invitation to the blues
