charades

grease 2

boy, you?re so sexy, you think you got a made
you smile when you lie. get away from me
you?re talking out two sides of your face
i?m supposed go along, not ok!
chorus:
i?m so guarded, i?ve been hurt, see
i?m so cold now, someone burned me
yeah, i like you, yeah you like me
but i can see
your charades
i can see, i can see, i can see
your charades
i can see, i can see, i can see
oh, you got me guarded like an army grenade
don?t hurt me, i don?t have what it takes
if you wonder why i?m throwing you shade
your charades!
i like models, athletes. i like rappers
i like different kinds of shades, different swaggers
oh, oh, but i can see beyond a face and a kiss
oh, if something?s deeper i?m so hard i won?t miss
chorus:
i?m so guarded, i?ve been hurt, see
i?m so cold now, someone burned me
yeah, i like you, yeah you like me
but i can see

your charades
i can see, i can see, i can see
your charades
i can see, i can see, i can see, i can see
oh, you got me guarded like an army grenade
don?t hurt me, i don?t have what it takes
if you wonder why i?m throwing you shade
your charades!
don?t play me. i?m not a show.
i know you did it before.
i?m not that girl.
no i?m not that broad.

yes yes get along.
respect me or get gone.
i ain?t about that life dot com period
i ain?t about that life dot com period
chorus:
i can see
your charades
i can see, i can see, i can see
your charades
i can see, i can see, i can see your charades
oh, you got me guarded like an army grenade
don?t hurt me, i don?t have what it takes
if you wonder why i?m throwing your shade
your charades!
i can see your charades
yeah, uh!
