

Cold World

Nicole Scherzinger

I'm missing a piece of the puzzle
This time I know we're in trouble
You got me spinning in circles
And wondering where did the love go
You're not the man I used to know
Can we go back to before?
When you had my heart in your soul Ooh, ooh, cold
Ooh, oh there's something cold
It feels like you don't love me anymore
Oh, ooh, and it's starting to show
It feels like you don't love me anymore
The mercury's reaching a new low
Falling like leaves when the wind blows
How did it all chill so quickly?
We were the ones who were meant to be
I'm frozen I can't let you go
I'm stuck on the same song
Do you feel anything at all? Ooh, ooh, cold
Ooh, oh there's something cold
It feels like you don't love me anymore
Oh, ooh, and it's starting to show
It feels like you don't love me anymore
And it's cold, there's something cold
It feels like you don't love me anymore
Oh, ooh, and it's starting to show
It feels like you don't love me anymore
Just got my feet back on the ground
Ice cracks and now I'm falling down-down-down
Can't give much more 'cause you just take
Everything good until it breaks
Baby, baby, baby, baby, ooh, baby...
Ooh, baby, ooh, baby, where do you go? Cold
Ooh, oh there's something cold
It feels like you don't love me anymore
Oh, ooh, and it's starting to show
It feels like you don't love me anymore
And it's cold
Ooh, oh there's something cold
It feels like you don't love me anymore

Oh, oooh, and it's starting to show
It feels like you don't love me anymore
It feels like you don't love me anymore
