

# Tonight Iâ€™m Getting Over You

## Carly Rae Jepsen

I wanna smash your fears  
And get drunken off your tears  
Dont you share your smile with  
anyone else but me  
I wanna touch your heart  
I wanna crush it in my hands  
Make you plead and cry  
As you give up all the lies We're not lovers  
But more than friends  
Put a flame to every single word you ever said  
No more crying to get me through  
I'll keep dancing till the morning  
with somebody new  
Tonight Im getting over you  
Tonight Im getting over you  
Tonight Im getting over you  
Tonight Im getting over you over you over you Stuck in a real bad dream  
And man it feels so new to me  
Should be in your arms but Im beggin at your feet  
Its been a real hard night  
And I just hold my pillow tight  
It wont love me back  
No its not you and I We're not lovers  
But more than friends  
Put a flame to every single word you ever said  
No more cryin (no more cryin) to get me through  
(to get me through)  
I'll keep dancin till the morning  
with somebody new  
Tonight Im getting over you  
Tonight Im getting over you  
Tonight Im getting over you  
Tonight Im getting over you over you  
over you  
Tonight Im getting over you  
Tonight Im getting over you  
Tonight Im getting over you over you We're not lovers  
But more than friends  
Put a flame to every single word you ever said

No more cryin to get me through  
I'll keep dancin till the mornin  
with somebody new  
Tonight Im getting over you
