Tic Toc

Daze

Tic Toc Tic Toc
Dear Mr. Clock
I said where did you go,
Cause I really don't know
Please come back and turn back timeTic Toc Tic Toc
Dear Mr. Clock
I am wondering round
Oh please help me to find
A way back to my life.Once, when I was a child
I flew to neaver land
Right, in front of my eyes
Captin Hook and Peter Pan
Dum dum dum doobie dum dum dum
Take my hand - to never land.
When time is standing still
Come fly away with Peter PanOnce, when I was alive,
You took me by the hand
Up, into the sky
Captain Hook and Peter Pan.
Dum dum dum doobie dum dum dum
Take my hand - to never land
When time is standing still
Come fly away with Peter Pan
