

# Shut It Down

Drake€

These girls ain't got nothin' on you Uh, say baby I had to mention  
That if you were a star you'd be the one I'm searching for  
Other girls they, got attention  
But I just always feel like there in need of something you got  
It's obvious you are pretty  
Heard that your a student working weekends in the city  
Trying to take you out girl, hope your not too busy  
And if there's nothing wrong, got this little song  
For you to get ready to  
Put those fucking heels on and work it girl  
Let that mirror show you what your doing  
Put that fucking dress on and work it kind of vicious  
Like somebody's taking pictures Shut it down down down  
You would shut it down down down  
You be the baddest girl around round round  
And they notice they notice  
You would shut it down down down  
You would shut it down down down  
You be the baddest girl around round round  
And they notice they notice  
You would shut it, hey oh  
These girls ain't got nothing on you nothin' on you  
Aint got nothing on ya,  
They ain't got nothing on ya  
Killer killer Girl you're the greatest  
And if he say you ain't  
Girl he's out his mind  
You're the finest  
And if he say you ain't  
That boy done lost his mind  
Hey baby, every time you come around  
Shut it down like computers  
Hey lady, step into my heart  
And put you in the louboutins,  
What you want  
What you need  
I can be  
Your everything  
Them other niggas

Just wanna hit it but if they had it  
Wouldn't know what to do with it  
(and together)We shut it down down down down  
They know we shut it down down down  
Your the baddest girl around round round  
They notice, they noticeWe shut it down down down down  
You would shut it down down down  
Til you finally come around round round  
They notice, they notice  
Shut it downT-M-Z, concrete 'oop  
You shut that shut that down down  
Ice cream conversations they all want the scoop  
You shut that shut that down down downShooting stars all around her, fire, comets.  
I could bring her through and shut them down, Onyx  
No, you're not imagining, they're looking at you long stares  
Even though she's standing out she looks like she belongs here  
You feel the hours pass, until you find somethin'  
I feel like when she moves, the time doesn't  
Yeah, baby you finer than your fine cousin  
And your cousin fine, but she don't have my heart beating in double time  
You just shut it down, girl  
Who told the cops where the party was?  
Why do I feel like I found The One?  
What's in these shots that you ordered us?  
Damn, I mean you sure know how to paint a town  
Ever since you came around its obvious you shut it down  
You shut that shit down (down down down)  
You shut it down (down down down)  
You shut it down (down down down)  
You shut it down (down down down)  
You shut it down (down down down)  
You shut it, ohThey notice, they noticeYou lookin' good girl  
Go go go get 'em girl,  
Go go go go hit 'em girl  
Go go go go go go  
You lookin' good girl  
Go go go get 'em girl,  
Go go go go hit 'em girl  
Go go go go go go  
You shut it downThe way I'm feelin'  
Things I say  
All just happen  
When you pass my way  
What can I do  
To make you stay?

I know it's gettin' late  
But girl I don't want you to leave  
You tell me you're just not the type  
You wanna do this right  
And I'm not tryna say I don't believe you  
But I refuse to feel ashamed  
And if you feel the same  
This wait ain't really make us better people  
Take those fuckin' heels off, it's worth it girl  
Nothin' is what I can picture you in  
So take that fuckin' dress off, I swear you won't forget me  
You'll be happy that you let me lay you down down down  
I'm tryna lay you down down down  
You still the baddest girl around round round  
They notice they notice  
Let me lay you down down down  
Tryna lay you down down down  
You still the baddest girl around round round  
And they notice they notice  
You would shut it
