

Good for Me (Radio Edit)

Above & Beyond

To be with you is easy
I know you're good for me
This feeling inside me
Oh, it sends me sky high To be with you is easy
Oh baby, I know you're good for me
This feeling inside me
Oh, it sends me sky high You're good for me, my baby
So good for me, my love
You're good for me, my baby
So good for me, oh love To feel for you is easy
Oh baby, I know you're good for me
This feeling inside me
Oh, it sends me sky high You're good for me, my baby
So good for me, my love
You're good for me, my baby
So good for me, oh love You're good for me, my baby
So good for me, my love
You're good for me, my baby
So good for me, oh love You're good for me, my baby
So good for me, my love
You're good for me, my baby
So good for me, oh love
