

My Completeness

Thirsty Merc

She came to me
With her arms open wide
Learnt my style
There she stood like a child With her hair flowing down in blue cascades
Love, lapping at her feet
Life, dancing in a masquerade
My completeness I could say no words
None would breathe with my heart
On my sleeve
All was clear there she was With her hair flowing down in blue cascades
Love, lapping at her feet
Life, dancing in a masquerade
My completeness Alright
She's everything to me She came to me
With her arms open wide
Learnt my style
There she stood like a child With her hair flowing down in blue cascades
Love, lapping at her feet
Life, dancing in a masquerade Hair, flowing down in blue cascades
Love, lapping at her feet
Life, dancing in a masquerade
My completeness She's everything to me, yeah
