'Cause I'm Country

Lee Kernaghan

She don't love me for my money
Come friday night half my money's spent
Every time it rains the roof starts leakin'
She don't love me for this shack where we pay rent
Somethin' keeps her holdin' on so strongMy Baby loves me because I'm country
And I'm confessin' it's runnin' in my veins
I got the fever I'm a true believer
She wouldn't have me any other wayShe don't love me for my cookin'
She tells me every time I burn the toast
It's common knowledge that I'm not good lookin'
When it comes to that I missed out more than most
Somethin' keeps her holdin' on so strongMy Baby loves me because I'm country
And I'm confessin' it's runnin' thru my veins
I got the fever I'm a true believer
She wouldn't have me any other waySomethin' keeps her holdin' on so strongSo strong yeah, yeahMy Baby loves me because I'm country
I think she knows now I'm never gonna change
I got the fever I'm a true believer
She says she wouldn't have me any other way, yeah yeah yeahMy Baby loves me just because I'm country
I know she knows now it's runnin' in my veins
I got the fever I'm a true believer
She says she wouldn't have me any other way, yeah yeah
