Man On the Verge

Lloyd Cole

Independent reader I
Looking for a better quality of life
Seeking to depart from lonely hearted pageSensitive to greying hair
Looking for a w/sense of humour
Do you have a script
Perchance, I could rewrite?Man on the verge
Of the nerve
For "Hello, I love your shirt"
Could it hurt?
Man on the verge9/11 subway train
You had yellow hair and mine is grey
You half smiled
Got off at Astor Place
Man on the verge
Of the words
to "Hello, I love your shirt"
Could it hurt?
Man on the vergeWaiting for the kiss of life
seemingly lost without a TV Guide
Boyish 37
Sorely uninspiredSingle melancholy male
Owning up to loneliness is no big deal
Everything is gone tomorrow miss you muchMan on the verge
Of the nerve
For "Hello, I love your shirt"
Could it hurt?
Man on the verge
Man on the verge
Mouthing the words
And the air between them
Could it hurt?
Man on the verge
