

# Ain't No Fun (Waiting Round to Be a Millionaire)

AC/DC

The following is a true story  
Only the names have been changed  
To protect the guilty -Well I left my job in my home town  
And I headed for the smoke  
Got a rock 'n' roll band and a fast right hand  
Gonna get to the top  
Nothing's gonna stop us, no nothingSo if you've got the money, we've got the sound  
You put it up and we'll put it down  
If you got the dollar, we got the song  
Just wanna boogie woogie all night long  
Yeh boogieI got holes in my shoes  
I got holes in my teeth  
I got holes in my socks  
I can't get no sleep  
I'm trying to make a millionAnd I got patches on the patches  
On my old blue jeans  
Well they used to be blue  
When they used to be new  
When they used to be cleanBut I've got a Momma whose a hummer  
[and I've got a mama, whose a hummer]  
Whose keeping me alive  
[[just] keepin' me alive]  
While I'm in the band doing drinking with the boys  
[while I'm doin' drinkin with the boys]  
She's working 9 to 5  
[She] knows her place that womanJust you wait -  
One of these days see me driving round town  
In my rock 'n' Rolls Royce with the sun roof down  
My bottle of booze  
No summer time blues  
Shouting out, Look at me  
In my rock 'n' roll voiceAin't no fun waiting round to be a millionaire  
repeatHey hello Howard, how you doin', my next door neighbour?  
Oh yea... Get your fuckin' jumbo jet off my airport
