The Kill V.2

Combichrist

There is no stopping of what can't be stopped
There is no killing of what can't be killedThere is no stopping of what can't be stopped
There is no killing of what can't be killed
There is no stopping of what can't be stopped
There is no killing of what can't be killed
First kill, one kill, first kill, one killSlaves of the flesh of a thousand worlds
We live in fear and the pressure gets worse
Nothing will die, where there's nothing to kill
No way to stay alive where there is no willThere is no stopping of what can't be stopped
There is no killing of what can't be killed
First kill, one kill, first kill, one killFirst kill, one kill, first kill, one kill
There is no stopping of what can't be stopped
There is no killing of what can't be killedYou know there's nothing that can't be stopped
No killing of what can't be killedThere is no stopping of what can't be stopped
There is no killing of what can't be killed
First kill, one kill, first kill, one kill
First kill, one kill, first kill, one killFirst kill, one kill, first kill, one kill
First kill, one kill, first kill, one kill
First kill, one kill, first kill, one killThere is no killing of what can't be killed
First kill, one kill, first kill, one kill
First kill, one kill, first kill, one kill
First kill, one kill, first kill, one kill
First kill, one kill, first kill, one kill
