

Let's Work Together (feat. Walter Trout)

Canned Heat

Together we stand, divided we fall,
come on now people, let's get on the ball and work together,
come on, come on let's work together, now now people,
'cause together we will stand ev'ry, ev'ry girl and a man ...
Before when things go wrong, as they sometimes will,
and the road that you travel, it stays all up hill,
let's work together, come on, come on, let's work together,
now now people, you know together we will stand,
ev'ry boy, girl, woman and a man ...
oh well now, two or three minutes, two or three hours,
what does it matter now, if this time go round,
let's work together, come on, come on,
let's work together, now now people,
'cause together we will stand,
ev'ry boy, every woman and a man ...
Oh well, make someone happy, make someone smile,
let's all work together and make life worth while,
let's work together, come on, come on,
let's work together, now now people,
'cause together we will we stand,
ev'ry boy, girl, woman and a man ...
because together we will stand,
ev'ry boy, girl, woman and a man
well together we will stand,
ev'ry boy, girl, woman and a man ... yeah...let's work together, come on, come on,
let's work together, come on, come on
