Clouds

As Cities Burn

Is your love really love?
Is my love really love?
I think our love isnt love
Unless its love to the endIs your god really God?
Is my god really God?
I think our god isnt God
If he fits inside our headsIs your love really love?
Is my love really love?
I think our love isnt love
Unless its love to the endIs your god really God?
Is my god really God?
I think our god isnt God
If he fits inside our heads
