

# Born To Make You Happy

## Cacophonics

I'm sitting here alone up in my room  
And thinking about the times that we've been through, oh my love  
I'm looking at a picture in my hand  
Trying my best to understand  
I really wanna know what we did wrong  
With a love that felt so strong  
If only you were here tonight  
I know that we could make it right  
I don't know how to live without your love  
I was born to make you happy  
'Cause you're the only one within my heart  
I was born to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy  
I know I've been a fool since you've been gone  
I'd better give it up and carry on, oh my love  
'Cause living in a dream of you and me  
Is not the way my life should be  
I don't wanna cry a tear for you  
So forgive me if I do  
If only you were here tonight  
I know that we could make it right  
I don't know how to live without your love  
I was born to make you happy  
'Cause you're the only one within my heart  
I was born to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy  
I'd do anything, I'd give you my world  
I'd wait forever, to be your girl  
Just call out my name and I will be there  
Just to show you, how much I care  
Oh yeah, yeah, yeah  
I was born to make you happy  
Yeah, yeah, yeah, uh

Oh yeah, yeah, yeah  
I don't know how to live without your love  
I was born to make you happy  
'Cause you're the only one within my heart  
I was born to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy  
Oh no  
I was born to make you happy  
Oh yeah, oh, oh  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy
