

# Tick Tock

## Jessie Baylin

I know nothing of that clock, tick-tock soundscape.  
I was along by the beat and stuck in its trance, passing me by.  
Passing everything I could have done,  
And could have held in an embrace,  
I am open these days.  
(chorus)  
And ruled by a sun who knows if I'll rise,  
It's taken me a long time to make this compromise.  
You know what I wanted and I'm wanting it still.  
Tick-tocking of a clock, I am not waiting here.  
So shoot me in the back now and see if I run.  
Let them watch while I cry and remember where I came from.  
Living's like kissing in the dark;  
You're looking for the lips that can make a kind mark.  
(chorus)  
I'm ruled by a sun who knows if I'll rise,  
It's taken me a long time to make this compromise.  
You know what I wanted and I'm wanting it still.  
Tick-tocking of a clock I am not waiting here.  
I can't do it, no.  
And I wouldn't want to anymore.  
I can't do it, no.  
Passing everything I could have done,  
And could have held in an embrace.  
I am open these days,  
(chorus)  
And ruled by a sun who knows if I'll rise,  
It's taken me a long time to make this compromise.  
You know what I wanted and I'm wanting it still.  
Tick-tocking of a clock, I am not waiting here.  
I'm ruled by a sun who knows if I'll rise.  
It's taken me a long time to make this compromise.  
You know what I wanted and I'm wanting it still.  
Tick-tocking of a clock I am not waiting here.
