

Yesterday

Imagine Dragons

Here's to my future
Here's to my yesterday
Here's to change
Oh, here's to my yesterday
No tomorrow without a yesterday
Here's to my future
Goodbye to yesterday All these years I've been searching
Of who I'm supposed to be
All that time I've been wasting
It was right in front of me Oh, it's a crooked old tradition
I am asking for
But in the all this trouble I've met
I haven't got one single regret, no Here's to my future
Here's to my yesterday
Here's to change
Oh, here's to my yesterday
No tomorrow without a yesterday
Here's to my future
Goodbye to yesterday
Yesterday Oh, I'm a hopeless crash collision
Because I'm a hostage to my bride
I'm my own volition
I've been a saint, I've been the truth, I've been the lie Oh, it's a crooked old tradition
I am asking for
But in the all this trouble I've met
I haven't got one single regret, no Here's to my future
Here's to my yesterday
Here's to change
Oh, here's to my yesterday
No tomorrow without a yesterday
Here's to my future
Goodbye to yesterday
Yesterday A new day you can go, you can do anything you wanna
It's your place, wing low, go high
Anywhere you wanna
You can reach for the moon
Anywhere your dreams can take you
Go astray, fade away
Just leave it to Here's to my future

Here's to my yesterday
Here's to change
Oh, here's to my yesterday
No tomorrow without a yesterday
Here's to my future
Goodbye to yesterday
