

# Back Up Plan

## Big Boi

Put that bitch in smash mode  
Boo, I got a back up plan to the back up plan  
To back up my back up plan  
And one and two, now you know what to do  
Motherfucker let's go, yeah, yeah, let's go  
Put your back into it like you grandma do it, let's go  
A-Town  
Boo, I got a back up plan to the back up plan  
To back up my back up plan  
I knew I was wrong for thinking that she cared  
I knew all along, that's why I stay prepared  
And one and two, now you know what to do  
My nigga what was I to do but find someone else  
Boo, I got a back up plan to the back up plan  
To back up my back up plan  
This is how it starts  
Momma fell heel over head and says you was the one  
Big Boi, but she calls me Antwan  
So just for fun, I went along with hon  
I was young, full of cum, done for the skeet skeet, not dumb  
We would meet indiscretely discrete  
She in heat like bitch on a leash  
No disrespect, but metaphorically she's a beast  
No teasing, no whining  
Just bumping and grinding 'til we got slimy  
Yeah, from that sweet stick thang, can't complain  
I was hooked on the box like the hot Krispy Kremes  
I knew I was wrong for thinking that she cared  
I knew all along, that's why I stay prepared  
And one and two, now you know what to do  
My nigga what was I to do but find someone else  
Boo, I got a back up plan to the back up plan  
To back up my back up plan  
Well, it didn't take long for me to game peep  
It was week after week, I was seeing the same freak  
I be damned if we posing for pictures and throwing rice  
Maybe throwing up in Vegas while Daddy's on the dice  
I might, might just put you on the chopping block tonight, night  
Act right and you can get my second string spotlight

But if you freaking, I'm speaking clean as a whistle  
This'll be the last official offer before dismissal  
No teasing, no whining  
Just bumping and grinding til we got slimy  
Yeah, got the latex for the fit  
Because she trying to trick Daddy, Slip-N-Slide on this dick  
I knew I was wrong for thinking that she cared  
I knew all along, that's why I stay prepared  
And one and two, now you know what to do  
My nigga what was I to do but find someone else  
Boo, I got a back up plan to the back up plan  
To back up my back up plan  
You are not the one, you are not the one  
You can be my two, you can be my two  
And one and one, everybody have fun  
And one and one, everybody have fun  
And one and two, now you know what to do  
I knew I was wrong for thinking that she cared  
I knew all along, that's why I stay prepared  
And one and two, now you know what to do  
My nigga what was I to do but find someone else  
Boo, I got a back up plan to the back up plan  
To back up my back up plan  
And one and one, everybody have fun  
And one and one, everybody have fun  
Now two, now two, I'ma give her back to you  
I'm through, nigga  
I done had enough of the nast stuff  
One, two, yeah
