I Need To Be In Love

Noon

The hardest thing I've ever done is keep believing
There's someone in this crazy world for me
The way that people come and go through temporary lives
My chance could come and I might never knowI used to say, "No promises, let's keep it simple"
But freedom only helps you say goodbye
It took a while for me to learn that nothin' comes for free
The price I've paid is high enough for meI know I need to be in love
I know I've wasted too much time
I know I ask perfection of a quite imperfect world
And fool enough to think that's what I'll findSo here I am with pockets full of good intentions
But none of them will comfort me, tonight
I'm wide awake at four a.m. without a friend in sight
I'm hangin' on a hope but I'm alrightI know I need to be in love
I know I've wasted too much time
I know I ask perfection of a quite imperfect world
And fool enough to think that's what I'll findI know I need to be in love
I know I've wasted too much time
I know I ask perfection of a quite imperfect world
And fool enough to think that's what I'll find
