Apocolyptic Renegade

Twin Atlantic

When the lightning strikes youâ€™ll find me there
With my head in my hands to evade your stare
'Cause a shiver speaks to my bones so well
No Iâ€™ll never speak, no Iâ€™ll never tell
How the rain came down and it washed me away
Through the earth and the rock to the oceans to play
I can't get enough, I can't get enough

I want it all
All
I want it all
Here in hell with me
'Cause I was wrong
We live forever
Then we run
With our destiny

If a supernove castaway
Links spells to the sky from far away
Put your hands in the air and count the days
You apocalyptic renegade
The sea will rise and the sun will die
Then the plates will shift â€˜tween you and I
Can get enough, I canâ€™t get enough

I want it all
All
I want it all
Here in hell with me
'Cause I was wrong
We live forever
Then we run
With our destiny

With our destiny

We run we run we run
We run we run we run we run
We run we run we run

With our destiny
