

# What's Left of Me

[Nick Lachey](#)

Watch my life pass me by  
In the rear view mirror  
Pictures frozen in time  
Are becoming clearer I don't wanna waste another day  
Stuck in the shadow of my mistakes, yeah Cause I want you and I feel you  
Crawling underneath my skin  
Like a hunger, like a burning  
To find a place I've never been Now I'm broken and I'm fading  
I'm half the man I thought I would be  
But you can have what's left of me I've been dying inside  
Little by little  
No where to go but going out of my mind  
In endless circles Running from myself until  
You gave me a reason for standing still And I want you and I feel you  
Crawling underneath my skin  
Like a hunger, like a burning  
To find a place I've never been Now I'm broken and I'm fading  
I'm half the man I thought I would be  
But you can have what's left of me Falling faster, barely breathing  
Give me something to believe in  
Tell me it's not all in my head Take what's left of this man  
Make me whole once again Cause I want you and I feel you  
Crawling underneath my skin  
A hunger, like a burning  
To find a place I've never been Now I'm broken and I'm fading  
I'm half the man I thought I would be  
You can have all that's left, yeah yeah yeah  
What's left of me I've been dying inside, you see  
I'm going outta my, outta my mind  
I'm just running in circles all the time Will you take what's left?  
Will you take what's left?  
Will you take what's left of me?  
Just running in circles in my mind Will you take what's left?  
Will you take what's left?  
Will you take what's left of me?  
Take what's left of me
