Mad (feat. Lil Wayne)

Solange

[Solange]
You got the light come it all joy, a calpable
You got the right to be mad
But when you carry it along you find only getting in the way They say you gotta let it go
Now tell 'em why you mad son
Cause doing it all ain't enough
Cause everyone all in my cup
Cause I just sit still on me bucks
So I got the right to get bucked
But I try not to let it get lucked
I'm too high, too better too much
So I let it go, let it go, let it goI ran into this girl, she said why you always blaming?
Why you can't just face it?
Why you always gotta be so mad? (be mad, be mad, be mad)
Why you always talking shit, always be complaining
Why you always gotta be, why you always gotta be so mad (mad, mad, mad)
I got a lot to be mad about (be mad, be mad, be mad)Where'd your love go
Where'd your love go
Where'd your love go
Where'd your love go
Where'd your love go baby[Lil Wayne]
Yeah, but I, got a lot to be mad about
Got a lot to be a man about
Got a lot to pop a xan about
I used to rock hand-me-downs, and now I rock standing crowds
But It's hard when you only
Got fans around and no fam around
And if they are they got their hands out
And they pointing fingers
When I wear this fucking bird on my back like a mother fucking cap and gown
Then I walk bank, pants sagging down
And I laugh at frowns like "what they mad about?"
Cause they come to this motherfucker with this mass account
They didn't wear cap and gown
Are you mad the Judge didn't give me more time?
I went out and tipped the suicide, I didn't die
I remember how mad I was on that day
Man, you gotta let it go before it get in the way

Let it go, let it goI ran into this girl, she said why you always blaming?
Why you can't just face it?
Why you always gotta be mad? (be mad, be mad, be mad)
Why you always talking shit, always be complaining
Why you always gotta be, why you always gotta be so mad (mad, mad, mad)
I got a lot to be mad about (be mad, be mad, be mad)Where'd your love go
Where'd your love go
Where'd your love go
Where'd your love go
Where'd your love go
Where'd your love go babyI ran into this girl I said I'm tired of explaining
Why you can't just face?
Man this shit is draining
But I'm not really allowed to be mad
