

U + Ur Hand

[SpaceMonkey8890](#)

Uh, uh uh, uh uh, uh uh, oh!

Uh, uh uh, uh uh, uh uh, oh! Check it out, goin' out on the late night

Lookin tight, feelin nice, it's a cock fight

I can tell, I just know that it's goin' down tonight At the door we don't wait cause we know them

At the bar, six shots, just beginnin

That's when dickhead put his hands on me, but you see I'm not here for your entertainment

You don't really want to mess with me tonight

Just stop and take a second

I was fine before you walked into my life Cause you know it's over

Before it began

Keep your drink just give me the money

It's just u + ur hand tonight Uh, uh uh, uh uh, uh uh, oh!

Uh, uh uh, uh uh, uh uh, oh! Midnight, I'm drunk, I don't give a fuck

Wanna dance by myself, guess you're outta luck

Don't touch, back up, I'm not the one, uh buh-bye! Listen up it's just not happenin

You can say what you want to your boyfriends

Just let me have my fun tonight, aight? I'm not here for your entertainment

You don't really want to mess with me tonight

Just stop and take a second

I was fine before you walked into my life Cause you know it's over

Before it began

Keep your drink just give me the money

It's just u + ur hand tonight Uh, uh uh, uh uh, uh uh, oh!

Uh, uh uh, uh uh, uh uh, oh!

(Break break break, break it, break it down) You're in the corner with your boys, you bet em five bucks

You'd get the girl that just walked in but she thinks you suck

We didn't get all dressed up just for you to see

So quit spillin your drinks on me, yeah You know who you are

High-fivin, talkin shit

But you're going home alone, aren't ya? Cause I'm not here for your entertainment

You don't really want to mess with me tonight

Just stop and take a second

I was fine before you walked into my life Cause you know it's over

Before it began

Keep your drink just give me the money

It's just u + ur hand tonight I'm not here for your entertainment

You don't really want to mess with me tonight

Just stop and take a second

I was fine before you walked into my life Cause you know it's over

Before it began
Keep your drink just give me the money
It's just u + ur hand tonight
