Guitar Hero

Monkey Steals The Peach

(Baby you look so good tonight)
[Verse 1]
Baby if you were a picture
I'd be content to just be a caption
You on display is my distraction
Cause you're a work of art (and I can't wait to start)
Painting me in your frame tonight (frame tonight)
If you were a movie,
I'd wanna be the plot that's written up (Camera's filming only us)
And baby I'm a be your co-star
Now come over and strum on my guitar
[Hook]
Lets Start with the G string
Take your frustrations out on me
(Strum it out, strum it out, strum it out)
Oooh you need to take your fingers and run 'em all through my strings
(Strum it out, strum it out, strum it out)
You can play in the key of Love, it's all about us
(Strum it out, strum it out, strum it out)
Oooh my body's your instrument
You can play a song all night long.....
[Chorus]
Be My Guitar Hero
Play Me Like Lenny
Strummin me legendary
Play me like Jimi
Teach me a new song
Boy I know plenty
Play me Like A Rock Star
Strummin On My Guitar
Oooh it's gettin intense
Make Me hear Doves Cry
Play Me Like Prince
(Strum)
And Now You playin me
(Strum)
So I guess I gotta sing
(Strum)
Get Down Get Down

Guitar Hero Yeah
[Verse 2]
Hero Oh oh oh
You're playing me like you're on a mission
Singing your song is my addiction
Cause you're a work of art
And as soon as we started I knew we'd be
making a hit record
I love your fingers
Rubbin on me making me sing your name
(making me sing your name)
And baby I'm a be your rock star

As long as you keep playin my guitar
[Hook]
Baby Play on My G String
Take your frustrations out on me
(Strum it out, strum it out, strum it out)
You need to take your fingers and run 'em all through my strings
(Strum it out, strum it out, strum it out)
You can play in the key of love, it's all about us
(Strum it out, strum it out, strum it out)
Oooh my body's your instrument
(Strum it out, strum it out, strum it out)
You can play my song all night long.
[Chorus]
Be My Guitar Hero
Play Me Like Lenny
Strummin me legendary
Play me like Jimi
Teach me a new song
Boy I know plenty
Play me Like A Rock Star
Strummin On My Guitar
Oooh it's gettin intense
Make Me hear Doves Cry
Play Me Like Prince
(Strum)
