

Strange Love

Abandon All Ships

Stay awake
And look into our future
Just breathe my name
And let the music come alive We get into shkraps
Wherever we go
Hold onto your girls
Before we grab them bro We party it up
Till last call
We dont give a fuck
We came to brawl All i wanna do is party
Feel up your body
Fist pump like pauly d
Were growing up gotti Shes looking so hot hot
Gotta get them some shots shots
Bring her back to my spot
Show her what i got All i wanna do is party
Feel up your body
Fist pump like pauly d
Were growing up gotti Dance like you fuck
Strange love
