Careless Whisper (George Michael cover)

Seether

I feel so unsure
As I take your hand and lead you to the dance floor
As the music dies
Something in your eyes
Calls to mind a silver screen
And all of the sad goodbyesI'm never going to dance again
These guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should have known better than to cheat a friend
A wasted chance that I've been given
So I'm never going to dance again
The way I danced with you
OhTime can never mend
The careless whispers of a good friend
To the heart and mind
Ignorance is kind
There's no comfort in the truth
Pain is all you'll findI'm never going to dance again
These guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should have known better than to cheat a friend
A wasted chance that I've been given
So I'm never going to dance again
The way I danced with you
OhTonight the music seems so loud
I wish that we could lose this crowd
Maybe it's better this way
We've hurt each other with the things we want to say
We could have been so good together
We could have lived this dance forever
Now who's going to dance with mePlease stay
I'm never going to dance again
These guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should have known better than to cheat a friend
A wasted chance that I've been given

So I'm never going to dance again
The way I danced with youOh
Oh oh
Oh oh
Oh oh
Oh oh
Oh oh
Oh oh
Oh oh
Oh oh
