Deviation

Flotsam and Jetsam

Fractured chess game knights move
Chaos no point to prove
I've been changing my open mind
Self defensive intentions you'll never findDeviation detour your moral code
You Understand I refuse to play the role
Say have a seat, I think I'll stand
Stained glass here I come with brick in handNo explanations, for my deviation
I'll give no explanation, for my deviationSee me, are you surprised
I symbolize all you despise
Never, never your faithful pawn
You run your rat race, it's that I spit upon
