

Devil's Radio

George Harrison

Gossip, gossip, gossip, gossip I heard it in the night, words that thoughtless speak
Like vultures swooping down below on the devil's radio
I hear it through the day, airwaves gettin' filled
With gossip broadcast to and fro on the devil's radio Oh yeah, gossip, gossip, oh yeah He's in the clubs and bars
and never turns it down
Talking about what he don't know on the devil's radio
He's in your TV set, won't give it a rest
That soul betraying so and so, the devil's radio Gossip, gossip, gossip, gossip
Oh yeah, gossip, gossip, oh yeah
Gossip, oh yeah, oh yeah, gossip It's white and black like industrial waste
Pollution of the highest degree
You wonder why I don't hang out much
I wonder how you can't see He's in the films and songs and on all your magazines
It's everywhere that you may go, the devil's radio Oh yeah, gossip, gossip, oh yeah Runs thick and fast, no one
really sees
Quite what bad it can do
As it shapes you into something cold
Like an Eskimo igloo It's all across our lives like a weed it's spread
'till nothing else has space to grow, the devil's radio
Can creep up in the dark, make us hide behind shades
And buzzing like a dynamo, the devil's radio Gossip, oh yeah, gossip, oh yeah, gossip
Gossip, gossip, gossip, oh yeah, gossip
I heard you on Satan's wireless, gossip, oh yeah
You know the devil's radio, child, gossip
Gossip, gossip, gossip
