

I Am Not a Robot

Marina and The Diamonds

You've been acting awful tough lately
Smoking a lot of cigarettes lately
But inside you're just a little baby, ohIt's okay to say you've got a weak spot
You don't always have to be on top
Better to be hated than loved, loved, loved
For what you're notYou're vulnerable, you're vulnerable
You are not a robot
You're lovable, so lovable
But you're just troubledGuess what? I'm not a robot, a robot
Guess what? I'm not a robot, a robotYou've been hanging with the unloved kids
Who you never really liked and you never trusted
But you are so magnetic, you pick up all the pinsNever committing to anything
You don't pick up the phone when it ring, ring, rings
Don't be so pathetic, just open up and singI'm vulnerable, I'm vulnerable
I am not a robot
You're lovable, so lovable
But you're just troubledGuess what? I'm not a robot, a robot
Guess what? I'm not a robot, a robotCan you teach me how to feel real?
Can you turn my power off?
I let the drum beat dropGuess what? I am not a robot
Guess what? I am not a robotGuess what? I'm not a robot, a robot
Guess what? I'm not a robot, a robot
Guess what? I'm not a robot, a robot
Guess what? I'm not a robot, a robot
