

Sundays

Lucinda Williams

I can't seem to make it through Sunday
I can't seem to make it through Sunday Monday through Saturday I get by just fine
Every other day of the week I feel alright
But I don't know why, I don't know why I can't seem to make it through Sunday
I can't seem to make it through Sunday Sunday's supposed to be the day for kicking off your shoes
So how come that's the day I always get the blues
And I don't know why I don't know why I can't seem to make it through Sunday
I can't seem to make it through Sunday I can't seem to make it through Sunday
I can't seem to make it through Sunday
I can't seem to make it through Sunday
I can't seem to make it through Sunday Ever since you had to go I just carry on
But deep down inside I know there's something wrong
And I don't know why I don't know why I can't seem to make it through Sunday
I can't seem to make it through Sunday
I can't seem to make it through Sunday
