Come Over

Changing Faces

I just touched down quarter after two
I know it's late I'm calling you
Trying to figure if I can come see you
(Can I come see you?)I know you're asleep but you're on my mind
I'm wide awake and I wanna stop by
So you can get up and get out of the bed
'Cause I wanna see you and I been wondering(Can I come over?)
Can I
(Come over)
Stop by
(Come over)
To see you
(Come over)
Tonight(Can I come over?)
Can I
(Come over)
Get with you
(Come over)
Just wanna
(Come over)
Be with you babe(Can I come over?)
Can I
(Come over)
Stop by
(Come over)
To see you
(Come over)
Tonight(Can I come over?)
Can I
(Come over)
Get with you
(Come over)
Just wanna
(Come over)
Be with you babeWhat's the deal? I'm not that far
I just got my bags and I'm headed to the car
Say yes or no 'cause I'm on the road
(Wait a minute, my battery's low,alright)Baby I wanna come see you said, I really wanna come see you
Don't you worry about a thing I'm just wanting to hold you

Praise you, I want to guide you, tell you
How much I love you, I need you, I miss you(Can I come over?)
Can I
(Come over)
Stop by
(Come over)
To see you
(Come over)
Tonight(Can I come over?)
Can I
(Come over)
Get with you
(Come over)
Just wanna
(Come over)
Be with you babe(Can I come over?)
Can I
(Come over)
Stop by
(Come over)
To see you
(Come over)
Tonight(Can I come over?)
Can I
(Come over)
Get with you
(Come over)
Just wanna
(Come over)
Be with you babe(Can I come over?)
Can I
(Come over)
Stop by
(Come over)
To see you
(Come over)
Tonight(Can I come over?)
Can I
(Come over)
Get with you
(Come over)
Just wanna
(Come over)
Be with you babe(Can I come over?)
Can I

(Come over)
Stop by
(Come over)
To see you
(Come over)
Tonight(Can I come over?)
Can I
(Come over)
Get with you
(Come over)
Just wanna
(Come over)
Be with you babe
